It's the little improvements that go unnoticed, except by the people in the neighborhood, that make a substantial difference in the appearance of Huron.

The "I Made A Difference" program of the Huron Community Improvement Committee gives everyone a chance to pat others on the back for their improvements and/or hard work. The improvements do not need to be extensive or expensive to be nominated.

For eight weeks this summer, one person will be saluted by receiving a United States flag and gifts from local merchants.

Return this nomination form to one of the following: Huron Parks and Recreation office, Box 1369, or the Huron Area Chamber and Visitors Bureau office. Nominations will also be accepted on plain paper.

Thank you for your time and your support of this program and the people who make a difference in the Huron area!
