

Huron in Bloom

Volunteers Working Together Planting Pride in Huron

Melanie Harrington --- Coordinator
350-1287 huroninbloom@midco.net

Purpose Statement

To offer volunteer time and efforts to the City of Huron Parks and Recreation Director in a manner that will be of value to the parks in our city. Focus will be on flowers while being open to other aspects of beautification. Prior to undertaking any projects we will communicate with the Director of Parks and Recreation of Huron and will not proceed with any projects prior to his authorization.

Volunteers who wish to assist with projects should contact Huron in Bloom coordinator.

Volunteers will have to fill out a volunteer application and release from liability statement.

Huron in Bloom will provide the City of Huron Parks and Recreation Director a report following each project consisting of who worked on a project, time spend and when the project was completed.

Huron in Bloom is a partnership with the Huron Wellness Committee
