The nine foot bronze sculpture "Spirit of Dakota" which stands at the entrance of the Crossroads Hotel & Huron Event Center, is the source for the state-wide Spirit of Dakota Award. Dale Claude Lamphere, nationally recognized sculptor and artist, is the creator. This sculpture of a pioneer woman balanced against the wind was unveiled and dedicated in October 1987 by the citizens of Huron. The "Spirit of Dakota Award" is Huron's unique gift to the women of South Dakota.

South Dakota's
Premier Woman's Award

Established October 1987

Spirit of Dakota

Statement of Purpose & Criteria

The Spirit of Dakota Award is an annual honor which is bestowed each fall at a state-wide event at the Crossroads Hotel & Huron Event Center. The Spirit of Dakota award is given to:

- An outstanding South Dakota woman who has demonstrated leadership qualities and has been successful and admired in her community or state.
- A woman with roots deep in Dakota whose courage and strength of character have helped develop her family and community.
- A woman who has represented social, cultural, and educational advancement for others.

This award is not Mother of the Year, nor Teacher of the Year, nor categorized but rather a recognition of those outstanding women who have been the symbols of all that we are proud of in our Prairie Women.

The nominee does not need to be a native of South Dakota, but must be a living resident of the state.

South Dakota's Premier Woman's Award

This prestigious Spirit of Dakota award plaque is a precious piece of art; each individually created by renowned sculptor, Dale Claude Lamphere, and treasured by each honoree. A one-foot bronze oval is graced with the pioneer woman sculpted upon its facade. To further illuminate the award, the bronze oval is mounted on smoky black lucite which is etched with the award inscription. The final element of the honor is an 18 x 20 burnished gold wooden frame which securely holds the cherished woman.
