The Huron Parks & Recreation Department is proud of our trail system and would like to conduct this survey to best serve the citizens of Huron in the future.

The trails are popular at all times of the year. According to a report submitted to the South Dakota Game, Fish, & Parks Department, 83% of the public walk for pleasure, 45% bicycle, and 23.2 % run or jog for exercise. Trails are used a great deal in our outdoor recreation enjoyment of these activities so please participate in this survey. Thank you.
