

## Solid Waste Recycling Huron

### Why Recycle in Huron

- Resource, Energy and Land Conservation
- Pollution Reduction
- Economic Benefits
- Fewer Greenhouse gas Emissions
- Recycling is the right thing for the City of Huron to do, for our future.
- Other communities throughout the region already recycle

## Other Communities that Recycle in SD

- Watertown
- Mitchell
- Aberdeen
- Brookings
- Vermillion
- Madison
- Spearfish

## Curb Side Recycling Process

- Blue container provided to each resident that participates
- All approved recyclable material can be put in container- picked up once per week
- Educational material provided on what materials are allowed in containers- Tin Cans, Aluminum, Mixed plastic, Office paper, News print, Magazines, Junk Mail

## Costs of Recycling- Residents of Huron

- \$2.25 per month charge
- If you choose not to participate residents will still pay fee
- Only residential homes will be allowed to have a container to begin with
- Businesses may be added in the future but can bring their recyclables to the solid waste department in order to recycle

## To Participate in Program

- Email:  
[recycle@huronsd.com](mailto:recycle@huronsd.com)
- And you will be put on the list
- Projected Start date June 2013
