Lawn Watering Permit Application

In an effort to maintain an adequate water supply for the residents of Huron, The City Commission has included in the City Ordinances, Chapter 21.18, Section 21.18.015, the right to restrict the use of water. The City Commission passed Ordinance No. 2195-21-76 restricting the use of water from June 1st to September 30th of each calendar year.

Customers of the City of Huron may request an exception from these restrictions for the purpose of watering newly seeded or sodded lawns per the following application:

Applicant's Name: _____

Property Address: _____

Phone Number: _____

Date Lawn Established: _____

Permit Valid Until: _____

Permit Conditions:

This permit is issued subject to availability of adequate Treatment Plant Production and is subject to withdrawal by Huron City Engineering at any time.

Permits will be granted for the establishment of new sod or newly seeded areas to allow watering on a daily basis for 30 days after the date of installation.

Permits may be obtained free of charge from the City of Huron Engineering Office, PO Box 1369, 239 Wisconsin Avenue SW.

Permitted locations are subject to inspection. Permits may be revoked for noncompliance with the permit conditions.

Permits must be posted in a location visible from the street.
