

2019 Summer Reading Program

June 1st - July 20th

Kids Korner

Kids, birth - 3rd grade, are invited to blast off to the library as we explore space! Summer of 2019 will bring an exploration of the universe through crafts, projects, activities, movies and more! We will have story time with astronauts, experiment with various materials to experience the adventures of space! Reading will give kids the opportunity to win prizes and join for an end of the season pool party! Registration starts May 28, 2019!

Tween / Teen Scene

4th - 12th grade, are encouraged to leave the earth behind entering a Universe of Stories. Young adults will rocket through the summer with a galaxy of activities, crafts, technology and adventures. Thrill seekers are encouraged to get on board, see where this adventure leads, and have a stellar time along the way.

Adults

We invite you to imagine how far humankind has come since the first Moon landing, what we have learned from exploring the universe and how real research and fictional tales have come together to inform future endeavors. Expand your horizons and celebrate milestones of science and adventure this summer as we explore the cosmos together!
